

CINCH JEANS & SHIRTS PRESENTS THE 79TH **PIKES PEAK OR BUST RODEO** **JULY 10-13, 2019**

BEFORE YOU HEAD OUT TO THE RODEO ... **HELPFUL VENUE AND EVENT INFORMATION**

Tickets

Buying early and online saves you time and money!

Be sure to bring your printed ticket or your mobile device if you've downloaded your purchase. Your printed ticket or mobile device can be scanned at the gate. Tickets are available for onsite purchase, first-come, first-served. Many performances sell out in advance so buying early is the best way to go. Once you enter the arena, you'll be 'stamped' so you can move back and forth between the arena and the grounds prior to the performance. All of the Rodeo performances take place at Norris-Penrose Event Center, located at 1045 Lower Gold Camp Road, Colorado Springs, Colorado.

Those needing assistance

Handicapped seating tickets must be purchased at the NPEC Box Office. Designated seating for those needing assistance is available and allows for ONE additional seat for the person assisting the handicapped individual. Making your purchase early is key.

Handicapped parking is also available on a first-come, first-served basis. Golf cart transportation is available if needed, but please arrive early and allow extra time. Much of the venue at NPEC is outside so dress and plan accordingly. Our Colorado weather is not very predictable.

Pikes Peak or Bust Rodeo volunteers are here to help. Please check in with one of our volunteers so we can help you get to your seats safely. ***Look for the folks in the red vests!***

Grounds Entry

It is highly recommended that you enter the Rodeo grounds from 21st Street, since 8th Street can get very congested. Entrance and parking information is also located on the [Contact Us](#) page of the Web site. Arrive early and enjoy the PPOBR Fan Zone presented by Children's Hospital and Hank's Marketplace.

Parking

Parking is FREE! There is a parking diagram also posted on the [Contact Us](#) page of the Web site that you can check out for details. Plan to arrive early for the best possible spots. The parking lots at NPEC are packed dirt. Another reason to sport your cowboy boots!

Strollers, car seats

Strollers are allowed in the gate and can be used while walking around the grounds (inside and outside the gate), but they **must** be checked in at Guest Services before going to your seats. Strollers are not allowed in the seating area for safety reasons. This includes full-size strollers and umbrella strollers. Car seats must also be checked with Guest Services, or a ticket may be purchased if you would like to have the car seat in the stands with you. Stroller and car seat check-in is a free service, and strollers and car seats are covered and never left unattended.

ATMs

There are ATMs located at various places on the grounds of the Norris-Penrose Event Center. Please see the grounds map for details or check with your nearest Pikes Peak or Bust volunteer for assistance once onsite.
