## Frequently Asked Questions

### **Q: The Rodeo had free parking in the past—can I still park for free somewhere?**

A: YES. Free transport to and from the Rodeo is still available via our shuttle bus service. See the previous page for the shuttle schedule. Free garage parking, free shuttle to and from the Rodeo back to your car. All fan parking on the venue grounds is now paid parking, and you'll have the chance to purchase your pass while making your ticket selections.

### **Q: Where is the garage for the Shuttle Bus service?**

A: The garage for the free Rodeo Shuttle is located at 50 East Costilla in downtown Colorado Springs at the corner of Costilla and Tejon. Look for the Rodeo banners!

### **Q: Do I need to bring my parking pass?**

A: Yes, your pass will be scanned and verified at the point you try to enter the Premier or Standard lots. Please have it ready to go and help keep traffic moving smoothly!

### **Q: What about the Cash Lot?**

A: This is the exception—you do NOT need a parking pass to enter the Cash Lot. It is offered specifically for those who did not purchase parking passes ahead of time. That said, spaces in this lot are limited and are available on a first-come, first-served basis for each performance. Get here early if you plan to park in this lot! True to the name, this lot accepts cash payments ONLY (\$20 per vehicle). **Exact cash is preferred and helps keep traffic flowing—thank you!**

### **Q: How can I tell if parking is sold out for my performance?**

A: Lot spaces are limited and we fully expect them to sell out for each performance. While purchasing tickets online, at checkout, you will see an option to add parking (select Premier or Standard from the dropdown menu). If your selected level is labeled as **Sold Out**, you will be unable to purchase a pass for that level. If you are attempting to purchase tickets and parking onsite from the NPEC ticket office, staff will inform you of availability.

### **Q: I purchased tickets online but forgot to get my parking pass. Can I go back and buy a parking pass separately?**

A: Parking must be purchased at the same time as your rodeo ticket. **There is no way to purchase a separate parking pass online.** If you forget to purchase a parking pass while getting your tickets, or decide you want one later, please contact [ticketing@norrispenrose.com](mailto:ticketing@norrispenrose.com) with your request and contact information, and they will reach out to facilitate a purchase over the phone. If spaces remain, you will receive a mobile or print-at-home parking pass.

### **Q: I have additional questions or am running into issues with online buying.**

A: Please contact the NPEC ticket office at [ticketing@norrispenrose.com](mailto:ticketing@norrispenrose.com).
